Summary

Hi, I'm Aayush Suthar, a Computer Science and Engineering undergraduate specializing in Artificial Intelligence and Machine Learning (AI/ML).

I'm passionate about AI, Data Science, Software Development, and Cloud Computing, with strong skills in Python, C/C++, JavaScript, SQL, React.js, Node.js, Flask, MongoDB, and Agile methodologies (Scrum, Kanban, Jira).

I enjoy solving challenging problems, learning emerging technologies, and collaborating in team environments. With a foundation in software development, data structures, and algorithms, I'm eager to contribute my skills to innovative software and AI-driven solutions.
